Be grateful there is Thanksgiving

UPLAND CENTENARIAN — When Margaret Croney celebrated her 100th birthday recently, she received congratulations from many people. Here Mrs. Croney and husband Thomas share a happy occasion — their 60th wedding anniversary, now almost 20 years ago.

Mrs. Margaret Croney

Upland women is 100 years 'young' now

When Margaret Croney of Upland celebrated her 100th birthday last week, family members gathered with her to mark the occasion. Well wishers showered her with cards and letters.

Mrs. Croney was born Nov. 21, 1874 in Mississippi and grew up in Arkansas. She and her husband Thomas first moved to Upland in 1928. He pruned trees and worked as a carpenter prior to his death in 1958.

Throughout her life, Mrs. Croney has been interested in other people and her flower garden. She worked especially hard to produce beautiful camellias and petunias.

Her descendants include three great-great-grandchildren, 24 great-grandchildren, 15 grandchildren and eight children.

The children include Lloyd Croney of Costa Mesa, Addie Sloan of Santa Ana and Ella Sloan of Upland (Addie and Ella married brothers), Florence Brewster of Porterville, Ollie Mathis of Orange, Ruth Carlton of Dolan Springs, Ariz., and Lena Baker of Half Moon Bay. The eighth child, Edgar, died at the age of nine of what doctors diagnosed as congestion of the brain.

The Croneys were members of Upland Baptist Church and Mrs. Croney later joined the Church of Christ.

Ping pong champion keeps in shape here

By LYNNE LOCKE

Table tennis has changed since Alta Loma resident Mary McIlwain was learning the sport. Mrs. McIlwain was U.S. senior women's open champion in 1968. Now she plays with the Upland Table Tennis Club, which has scheduled a tournament Dec. 8 at Upland High School.

In the old days, she said, athletes depended on natural ability and constant practice. But today the world's best players really train, developing their muscles and relfexes by weight lifting and running.

She wonders, "If I had it to do over again, would I want to be a top player?" For a woman athlete the time for being a champion is very short, she noted.

Even in Japan where table tennis is a popular sport, a woman is 'finished' when she's 23-25 years old. She turns to other important things — getting married and raising a family — and she doesn't have time to train, commented Mrs. McIlvain.

Table tennis takes as much skill and training as any other sport, and more speed than tennis, she said. In a fast game the ball may travel 100 miles per hour, and players have to move very swiftly to cover the playing area.

Although table tennis is a growing sport in the U.S., Americans are at a disadvantage when they compete internationally. The Oriental countries and Sweden have developed very good players, noted Mrs. McIlvain, due to the rigorous training camps that have been established. Also, many Oriental players are subsidized by the companies they work for.

"I used to think the Orientals were best because their reflexes are better," she said. Actually it's because of their characters. An American who misses a shot will explode, but Orientals aren't such exhibitionists. They're concentrating on the next shot.

Oriental players are perfectionists, concentraing on one sport, while "our young people try to do everything well," commented Mrs. McIlvain.

A major difference between Oriental and American play is the way the racquet is held. Generally Orientals use the penholder grip while Americans still use the shakehand (tennis style) grip.

Both can be developed successfully, she said, but the shakehand allows better access to all moves. With the penholder, it is more difficult to hit backhand shots. But, she noted, players can develop a very powerful forehand drive using the penholder grip.

Table tennis is not only a demanding sport, but can be a fun game. It provides fellowship for family members and relaxation from the tensions of modern life, said Bill Rey, manager of the Upland Tennis Club.

And, noted Mrs. McIlvain, "It's terrific exercise. Usually exercise is boring, but with table tennis, you get lots of exercise without even thinking about it."

Local enthusiasts will have a chance to get some of that exercise at the tournament Dec. 8. The tournament, scheduled from 9 a.m. to 5 p.m. at the Upland High School gym, offers events for every age including novice events for both male and female players.

Entry forms are available at Magnolia Recreation Center and Upland Recreation Department. Entry deadline is Dec. 6. The tournament is sponsored jointly by the Recreation Department and the Upland Table Tennis Club.

The two-year-old club is affiliated with the United States Table Tennis Association (USTTA) which provides member clubs with educational films, publishes a monthly newsletter and determines the ranking of players.

Local players improve their national ranking by competing in USTTA-sanctioned tournaments which are held by other Southern California table tennis clubs. A team from the Upland club recently placed seventh in the annual Huntington Beach tournament. Reaching the quarterfinals before being eliminated were team members Tony Wicher, Wiley Butler, Somchai Yantapannit, Mary McIlvain and Don Higgins, captain.

Club member Doug Kirby of Montclair recently won the California State Open Table Tennis Singles title in the junior under 11 years old division. Doug is the nine-year-old son of Mr. and Mrs. Joe Kirby and is coached by his father.

PRACTICE SESSION — Practicing for the Upland Table Tennis tournament Dec. 8, Mary McIlwain of Alta Loma returns a serve. The former U.S. senior women's open champion said table tennis is as demanding as any other sport and is terrific exercise. The tournament will feature events for all ages and both sexes. Many school board seats up for grabs

Some 23 seats on 12 West End school district boards of education will be listed on the March 4 ballot, and candidates have until Jan. 3 to file with the county Registrar of Voters.

There is no filing fee, but candidates can have the registrar mail a 200-word statement of qualifications to voters, an option that carries a considerable charge.

Five member school boards and the number of seats available on the March 4 ballot are: Alta Loma, 2; Central 2; Chaffey College, 3; Chaffey Union High School, 2; Chino Unified, 3; Cucamonga 2; Ontario-Montclair 2 and Upland, 2.

One seat is available on the Guasti, Mt. View and Mt. Baldy school boards, which are all three-member bodies.

Fees for mailing a statement of qualification are based on the registered voter count in a district. For the Chaffey High School district, with 60,000 voters, it would cost $637 to mail the statement. A candidate in the Upland School District, with 17,000 registered voters, would have to present $337 at the time of filing if a statement is desired. This option would cost $120 in the relatively small, 1,057 registered-voters Cucamonga School District.

Here are suggestions for Christmas gifts

It's not too early to be thinking of gift ideas for Christmas. And the art students at Mt. San Antonio College have 'just the thing' for almost everyone on your list.

Unusual hand-built and thrown ceramics will be on sale Dec. 4,5 and 6 on the Art Center Patio from 10 a.m. to 9 p.m. the first two days and from 10 a.m. to 5 p.m. Dec. 6.

Planters, mugs, pitchers, plates and platters, bowls, week pots, hanging chimes and much more made by students and faculty will be on display and sale. Spokesmen warn that items are sold quickly each year and advise buyers to come early for the widest selection.

Prices go from $1 up.

The annual show is totally produced by the MSAC students, from the making of the art works to the installation of the display and sale of the products. Proceeds from the sale are used to assist art students with scholarships and loans for their continuing art education.

Baseline Avenue in Etiwanda to be closed for construction

Motorists traveling on Baseline Avenue in Etiwanda should be prepared to make a detour for the next three months, the county road department reported.

Baseline Avenue between Etiwanda Avenue and Rochester Avenue will be closed for construction for the next three months during the daylight hours, a road department spokesman said.

The road will be closed because of contruction on Interstate 15, the spokesman said, and advised motorists to use caution in the area.

Gymnastics club formed by recreation dept.

The "Turners," the Upland City Recreation gymnastics club has doubled in size since October with registration reaching 81. The club derived its name from the athletic organization, Turnvereins or Turners, established by Friedrich Ludwig Jahn in Germany in the early 1800's. The team has chosen plum and white for its colors and under the direction of Charles Klummp and Mary L. Lussier, hope to be competing in compuly meets by January.

KIVA FAIRE — Fair chairman Iva Renaker helps Marianne Maust sign up the student government for a booth at the Alta Loma High School Kiva Faire Dec. 7. PTA treasurer Betty Rickey, far left, and PTA president Sharon Delaney are helping organize the fund-raising venture. For $2.50 community members can rent a booth to display items for sale. Proceeds provide college scholarships and aid needy students. (Photo by Lynne Locke)

Due to the large number of registrants in the 5 to 8 year old group, the class had to be divided into two sections. Chris and Karen Gittens, Lynnel Cleland, Wendy Moss, Michelle Sprangler, John Cavallo, Karen Smith and Kristen Slosek are working on perfecting cartwheels, rolls and limbers. Bret Lund, Sam Hammond, Jennifer Low, Dehjnita Gracia, and the Myers brothers, Gary and Neil, are working in basic tumbling.

Maureen Shea, Steve and Lisa Whyte, Diane Leo, Cindy Jennkins, Shelia Lamb, and Vicki and Julie Mayr are only a few of the participants in the 9 years and up gymanstics class which meets on Tuesday and Thursday at 45:30.

Alta Loma High sponsors faire

The Alta Loma High School PTA will sponsor the Kiva Faire Dec. 7 beginning at 9 a.m. on the school tennis courts.

The objective is to raise money for student scholarships. It will consist of student and non-student sales fun booths, and drama classes' production of "Arsenic and Old Lace."

The public will be admitted for the fee of 25 cents. For an additional 25 cents, they may see "Arsenic and Old Lace," that afternoon.

Organizations that will participate in sponsoring booths will be church groups, service clubs, women's clubs, men's clubs, scout groups, high schools, all PTA members, elementary and junior high schools.

Those Alta Loma clubs wishing to participate in the selling of articles may purchase a booth for the sum of $1. Non-students also may purchase a booth for a price of $2.50.

GLUE IN AT PILGRIM PLACE — Glue, wood and plenty of imagination were all that was needed at the recent Pilgrim Festival in Claremont to keep the children occupied while their parents looked around. Jason Rhine and Dillon Hillbig concentrate on their creations while Miss Olene Nicholson, a resident of Pilgrim Place looks on. The Glue-In, in its second successful year at the festival, was the idea of Miss Nicholson.

THANKSGIVING — Margaret Hammaker of Pilgrim Place in Claremont pauses during her Thanksgiving preparations to enjoy the natural beauty around her. She was a missionary to India for over 30 years.

FRIENDSHIP — During the Pilgrim Place festival, Velma Baldwin and Hildegard Ross take time for a quiet talk. For these retired Christian workers, friendship is as much blessing as for the early pilgrims. (Photos by Lynne Locke)

Scouting can be path to a career

Old Baldy Boy Scout Council serves boys throughout the West End communities with a number of girls also enrolled in Pomona Valley Explorer posts. Major support comes from the West End United Way.

Boys may begin their scouting participation in Cub Scouts during the primary grades, and continue to advance through the Webelo program and altimately into the Boy Scout or Explorer groups. Many of the world's most prominant leaders recall their association in the Boy Scout program, and a number of these men continue to hold their Eagle Scout rank with high esteem.

Scouting prepares boys for all phases of outdoor endeavors. Instruction in survival techniques is part of this phase of the program. Extensive activities and emphasis on skills for day-to-day living are focused on throughout the scouting years. Boy Scouts and Explorers provide services to their community and are involved in valuable projects in their schools and neighborhoods in the West End area.

Involvement in the Boy Scout program frequently launches new interests which may culminate in a lifetime career for a young man.

OPARC continues to aid West End families

The Ontario-Pomona Association for Retarded Citizens (OPARC) located at 9160 Monte Vista Ave., Montclair, has served communities of the West End for 24 years.

A participating member agency of the West End United Way since 1960, this organization provides the time, effort and encouragement necessary to prepare children for public school, adults for employment and the opportunity for independent living.

To stand, walk, or even to play the child's game "Ring Around The Rosey" looks incredibly simple to most people, but for the handicapped these may be monumental accomplishments achieved through the dedication of the "caring" people at OPARC.

The non-thriving baby may develop muscles to sit and stand. Infants may even learn to swallow without choking under the guidance of qualified staff. Parents participate and are trained to carry on the program outside of the class.

The OPARC Day School Kindergarten includes help in walking, toilet training, physical coordination and development of responsibilities, all of which are geared to prepare children for public schools.

Also on the day school property is a Living Skills Center for handicapped adults, which provides instruction in nutrition, shopping, meal preparations, health and safety, how to handle emergencies, how to benefit from community services and transportation.

State aids schools

The Alta Loma and Mt. Baldy school districts were among the districts this week granted state funds for school construction.

The state Allocation Board cleared $17.5 million for construction of schools needed to replace structures not meeting earthquake-safe standards and classrooms in four counties having districts with rapidly growing enrollments.

Alta Loma, a rapid-growth district, was awarded $896,731. Floyd Stork, district superintendent, said the funds will go the construction of the Jasper Elementary School.

Located at the northeast corner of Jasper and 18th streets, the school is planned for completion "hopefully not too late after school starts next fall," Stork said.

The Alta Loma district is expected to seek construction bids in January. The new school, the fourth in the district, will cost $1.1 million, with district school construction bonds financing some $22,000 of the total cost.

The state funds granted the Mt. Baldy district will be used to replace that district's one school, which does not meet state earthquake-safe standards.

Veterans' aid expanded

A move to larger quarters at 214 S. Euclid Ave. in Ontario earlier this year enabled the San Bernardino County Veterans Affairs office to expand its services to the area's many veterans and their dependents in the Montclair, Ontario, Chino, Upland, Alta Loma, Cucamonga, Mt. Baldy, Etiwanda and Fontana areas.

According to Dave Hansen, office supervisor, a wide range of informational services are offered and these can be extremely valuable to the veteran and his family. Among these are providing up-to-date information and application preparation for compensation for service-connected disability, veterans pension, widows benefits for service and non-service connected deaths, GI Bill benefits, insurance, hospitalization, home and farm loans, veterans burial benefits, aid for the blind, correction of military records and many other matters.

Hansen explained that his office deals with the Veterans Administration on behalf of the veteran. This assistance, in many cases, provides for timely action on the part of the Veterans Administration and helps the veteran and his survivors receive all benefits due them.

Recently, the Ontario Veterans Affairs office went to bat for a veteran who had medically discharged in 1964 with no monthly disability compensation. This man had been fighting with the Veterans Administration for years trying to secure a pension. After a thorough review of the case, the Veterans Service Representative made a presentation to the VA which resulted in the man receiving 100 per cent disability benefits.

UHS club will help plight of stray animals

A new service club to aid the plight of animals has been formed on the Upland High School campus.

Animal Assist, conceived by sophomore Lynn Merrill, seeks a more humane treatment of animals.

Among future plans is the organization of a foster home program in which animals will be given temporary homes until permanent ones are found.

The club is open to all students iwth an interest in animals. UHS English Instructor Ruth Smith is the faculty adviser.

ALHS student wins art award

The Art Department of Alta Loma High School has awarded its first Art Center scholarship to Betsy Saulsbury, a senior.

This scholarship entitles the recipient to a unit of ten Saturday classes at Art Center College of Design in Los Angeles. Miss Saulsbury is in the middle of her scholarship, a unit of figure drawing.

Reynolds seeking site in West End

Reynolds Metals Co. is currently seeking a site in the West End area for an aluminum recycling center.

Ben Wahrman, manager of Reynolds' western states recycling program, said the firm hopes to have the West End center in operation in six months.

The new center would be part of the most extensive and far-reaching expansion program in the history of the aluminum recycling industry — with California as its number one target, according to David R. Reynolds, executive vice president and general manager.

Reynolds said that in addition to the West End plant 23 more tablished in California.

Reynolds said that by the time the full expansion program is completed, the original 12 centers will be increased by 71 to a total of 83, and that more than 100 mobile recycling units will be on the road literally "taking recycling to the people."

Last year the company recycled 45 million pounds of aluminum — highest in the industry. It is anticipated that when the expansion program is at full stream collections will be increased three-fold.

Last year Reynolds paid Californians more than $1.5 million for the return of approximately 15 million pounds of aluminum.

TINY TOT TV — Sue Baker, teacher of the Upland Tiny Tots class, accepts a television from Carol Gray, secretary of the Upland Junior Woman's Club. The television will be used to view Sesame Street and other educational programs, Mrs. Baker said. The Upland Juniors also performed a Halloween safety puppet show for the Tiny Tots and are distributing books at local elementary schools for the "Reading Is Fundamental" program.

Use leftovers in old-fashioned turkey

Thanksgiving turkey leftovers can be a blessing in disguise. Remember when you were a child and this time of year was filled with anticipation and excitement? Now it seems as if you just finish basting the Thanksgiving turkey in time to do Christmas shopping, baking, decorating and all of the other things that just must be done before Santa arrives.

The home economists know meal planning becomes difficult at this time of year. Two new recipes help solve the "between the holidays meal planning blues." Each of the recipes helps stretch just one cup of leftover turkey into a cold weather maindish.

Old-fashioned Turkey Bake molds a cup of turkey and a bread-like mixture into a different maindish.

Turkey and scalloped potatoes are a great combination. Turkey Potato Scallop is a new recipe that is easy to prepare with packaged scalloped potatoes.

Round out your menu for either recipe with buttered peas, gelatin salad, hot apple crisp (baked in the same oven), milk and coffee or tea.

Old-fashioned Turkey Bake

1 package (13¾-oz.) hot roll mix
¾ cup warm water
2 eggs
1 tablespoon prepared yellow mustard
1 cup shredded Cheddar cheese
1 cup finely diced turkey
1 cup finely diced celery
Pilgrim Sauce (recipe below)

Sprinkle yeast from hot roll mix over water in large mixing bowl; stir to dissolve. Add eggs and mustard; stir until blended. Stir in cheese, turkey, celery and contents of package of roll mix; beat 50 strokes by hand. Spread in well-greased 8-cup ring mold or 10-inch tube pan. Let rise in warm place until light and doubled in size, 30 to 60 minutes. Bake at 375° for 30 to 35 minutes in ring mold, 35 to 40 minutes in tube pan until deep golden brown. Remove from pan. Slice and serve with Pilgrim Sauce. 6 to 8 servings.

Pilgrim Sauce: Melt 2 tablespoons butter in sauce pan. Blend in 2 tablespoons flour, 2 tablespoons prepared yellow mustard, 1 tablespoon Worcestershire Sauce and ½ teaspoon salt. Gradually stir in 1½ cups milk. Cook over medium heat, stirring constantly, to a boil.

Classes offered

How many of you know what ROP means? If you said Regional Occupational Program, you were correct. The Baldy View Regional Occupational Program, with the help of Chaffey area high schools, is providing vocational classes throughout the community. After completing a class, the ROP will help students find a job in their area of training.

Class credit is given based on the number of hours of attendance. Transportation is provided to the various class sites. Two classes still open are fire safety and environmental landscaping.

If students have a desire to learn more about what a fireman does and the various positions available in a fire department, the fire safety class is for them. It is held at the La Verne Fire Department, where students learn by working with the various fire fighting equipment.

BRAINWASHING WON'T CURE A RECURRING HEADACHE

By DR. W. P. HELZER, D.C.

"Most persons do not die from natural causes; they kill themselves."

There is more truth in this observation than most of us would care to admit. The man who is alert for the faintest off-normal symptom in the engine of his motor car and who hurries to a service station to have it corrected — will abuse and neglect the most delicate of all mechanisms —the human body—until a "breakdown" forces him to take time out for a prolonged — and usually costly renovation.

Dr. Wm. Helzer D.C.

And this is just as true of the women, too!

Frankly, it amazes me to find people accepting headaches as discomfort to be expected and endured to some extent.

Frequently, in examining a new patient, I'll find something that suggests the possibility of repeated headaches. Of course, I'll ask the patient whether or not he or she does, in fact, get headaches.

The answer is often "Yes, Doctor, I've been getting headaches for the past two or three years. I take something each time and they seem to disappear.

My point is that while people will seek immediate and effective treatment for a backache or other serious problems which are of themselves not unusual, they overlook others such as headaches that are just as dangerous and perilous to one's well-being.

The public has been brainwashed about headaches. People are constantly reminded of self-treatment of headaches by using pain killers, and they overlook the serious consequences of allowing a headache condition to re-occur on a constant and continued basis.

Then there are headaches which people do not accept so casually.

Unfortunately, they are the headaches which are too frequent and too severe to endure. We see people with chronic headache problems every day.

The causes of headaches are varied and numerous. They may come from circulatory disturbances, kidney disorders, digestive upsets, etc. There are "sinus headaches", headaches from nervous disorders, the migraine headache, and many others.

The symtom of a headache is easy enough to identify. I guess you could simply say you have a hurt in the head.

But there is nothing comical about the consequences of a headache left untreated.

And while a pesky headache may be easily relieved with a pain remedy, it occurs to me that it would be just as easy to attack the cause of the problem on a "once and for all" basis.

If you think that once you've had a headache you are bound to have another, you'll be right under one condition.

And that's on the condition that you never seek permanent relief of the headache.

And it certainly won't kill you if you try!

Hawaiian Thanksgiving

Turkeys may claim the center ring of the Thanksgiving feasting circus with those who are tradition-oriented. However, there is nothing traditional or old-fashioned about savory stuffings for the holiday bird. A new approach to pepping up the dressing includes pineapple, water chestnuts, ginger, red pepper and sesame seed among the ingredients for a truly different turkey stuffing. Remember to add to the cooking time when roasting a stuffed turkey and to remove leftover stuffing from the turkey's cavity and store it separately in the refrigerator to preserve it safely.

HAWAIIAN DRESSING FOR TURKEY

½ cup instant minced onion
½ cup water
½ cup butter or margarine, divided
1 can (5 ounces) water chestnuts, drained and finely chopped
3 tablespoons soy sauce
3 tablespoons sesame seed, divided
2 teaspoons ground ginger
⅛ teaspoon ground red pepper
12 cups dried bread cubes
1½ cups hot chicken or turkey broth
2 eggs, beaten
1 can (6 to 8 ounces) sliced mushrooms, drained
1 can (1 pound 4 ounces) pineapple slices

Combine onion with water. Let stand 10 minutes to rehydrate. In a medium skillet heat ¼ cup of the butter. Add rehydrated onion and chestnuts; saute minutes. Stir in soy sauce, 2 tablespoons of the sesame seeds, ginger and red pepper; set askide. In a large bowl combine bread cubes, broth, eggs and mushrooms. Stir in onion mixture; mix well. Turn into a buttered 12 x 7 x 1¾-inch baking dish. Melt remaining ¼ cup butter. Pour over dressing. Sprinkle with remaining 1 tablespoon sesame seed. Cover and bake in a preheated 375-degree oven 45 minutes. Remove cover and bake 15 minutes longer or until browned on top. To serve, mound dressing on pineapple rings; garnish with chunk of pineapple.

SELECTIONS FROM GODSPELL — will be presented by 25 youth group members of the Diamond Bar and Hacienda Heights Congregational Church, Sat., Dec. 14, 7 p.m. at Walnut High School. Celebrating the joy of believing are Ken Fleetwood, who will portray Jesus; and members of the cast, middle row (left to right), Tammie Thurlo, Dean Dopson, Barbara Gillette, Spencer Delin; and front row, Debbie Gillette annd Cathy Woodworth. For further information call 595-4735.

Advent will be celebrated at DB Congregational

Advent activities begin at Diamond Bar Congregational Church Sunday with the lighting of the traditional Advent wreath.

Special programs and worship services have been planned to give emphasis to the universal longing for peace, for the reconciliation of man and nature, for simple justice, and for the vindication of God's people. Hymns and anthems and preaching together will stress the biblical idea of watchful, hopeful, creative waiting.

It will be a season in which the church learns to watch for impending glory. Old Testament lessons will be offered and the New Testament lessons will focus on the incarnation record or imply the glory of God shining in the face of Jesus Christ. They are as follows: First Sunday in Advent - Isaiah 2:1-5, Romans 13:11-14, Matthew 24:37-44; Second Sunday in Advent - Isaiah 11:1-10, Romans 15:4-9, Matthew 3:1-12; Third Sunday in Advent - Isaiah 35:1-6, 10, James 5:7-10, Matthew 11:2-11; Fourth Sunday in Advent - Isaiah 7:10-15, Romans 1:1-7, Matthew 1:18-25.

Worship is at 11 a.m. each Sunday with Sunday school at 10 a.m. The public is invited.

Other activities include attendance at Hacienda Heights Community performance of the "Messiah," Dec. 7, 8 p.m., in St. Matthews United Methodist Church and a family dinner, Dec. 8, 5 p.m. in the church facilities.

Free holiday concert to be held Dec. 7-8

An Advent-Christmas concert will be presented Dec. 7-8 at 8:15 p.m. at Bridges Hall of Music, Claremont Colleges. John M. Lilley will conduct the free concert sponsored by Claremont Men's, Harvey Mudd, Pitzer and Scripps colleges.

The program includes Bach's Cantata 140, Wachet Auf (Sleepers, Wake!) for chorus, orchestra and soloists. Traditional carols also will be performed.

Students hold Bible studies

Alta Loma High School students have formed the Maranatha Bible Club to study the Christian perspectives of the Old and New Testaments of the Bible. The club's purpose is to focus on spiritual and moral growth and to consider how to apply the Bible to modern life.

Sponsored by Bruce Erickson, the club members formed a constitution and chose Marianne Maust and David Hutchins as student government representatives. The club will meet Monday at 7:17 p.m. in the clubhouse of the Alta Vista Mobile Home Park, and is open to all interested students.

An all-school rally will be held on campus Jan. 14. Future plans include retreats, speakers and rallies.

Ontario First Church of the Nazarene will celebrate its 70th anniversary Sunday.

Special features of the day will include the planting of a tree in honor of Mrs. Kitty Williams.

United Methodist

Church women to install officers

"What Do You Bring To Christmas?" is the theme selected for the Dec. 3 installation meeting of the United Methodist Women. Mrs. James Bowen will present the program in Romick Chapel, 3205 D St., La Verne, at 10:30 a.m.

Mrs. Ruth McCormick, district treasurer, will install Mrs. J. Tom Taylor, honorary president; Mrs. Floyd Slagle, president; Mrs. Sue Perry, vice president; Miss Hazel Snoke, secretary; Mrs. Glenn Hall, treasurer; Mrs. John Flood, secretary of program resources; Mrs. Gilbert Strausburg, Christian social involvement; Mrs. J. Tom Taylor, Christian global concerns; Mrs. Coy McCullough, Christian Personhood; Mrs. Alex Mueller, supportive community; Mrs. Neal Mouser, membership; Mrs. Harvey Case, pledge; Mrs. Fancheon Binnall, kitchen; Mrs. Ethel Corse, telephone; Mrs. Harry Markland, publicity; Mrs. William O'Neill and Mrs. Margaret Lauterbach, Martha Ciricle; and Mrs. Neal Mouser, Ruth Ciricle.

Mrs. Alex Mueller will head the Christmas luncheon committee who will serve in Marshall Hall following the installation.

The Bonita High School Choir, under the direction of Tom Antal, will provide selected Christmas songs.

Rev. Blanchard speaks on missionary work

Perhaps you would not choose rice with peanut sauce to be fed to your wedding guests, but at one wedding in Ivory Coast it was enjoyed by everyone. Rev. Elliott Blanchard attended this wedding in his line of duty. He will speak of his work in Africa Sunday at 11 a.m. and 7 p.m. at First Baptist Church, 5150 Palo Verde Street, Montclair.

The bride and groom from the village of Fodio were the first in the area to have a Christian wedding performed. Family and friends watched as the couple walked through a palm-branched archway built for the occasion.

In this country, where over half of the population are animists, even many of the Christian converts are afraid not to offer sacrifices to the spirits. For centuries they have been taught that these spirits tightly control the village's economic and religious life.

Before going to the Ivory Coast in 1951, Blanchard graduated from Gordon College, Wenham, Massachusetts, and Northern Baptist Theological Seminary in Oakbrook, Illinois. He serves with the Conservative Baptist Foreign Mission Society of Wheaton, Illinois.

Presbyterian

The Rev. Robert Flagg will be installed by the Presbytery of Riverside as assistant pastor of the First Presbyterian Church of Upland during a special Advent Celebration on Sunday at 7:30 p.m.

Rev. Flagg began his duties with the church on Oct. 15. Prior to coming to Upland, he was pastor of the Sequoia Presbyterian Church of Orosi, California for three years. Prior to that he was assistant pastor at the Valley Presbyterian Church of Portola Valley. He is a graduate of the San Francisco Theological Seminary and Lafayette College in Pennsylvania.

Christian Chapel

This month the people at Christian Chapel, 1920 S. Brea Canyon Rd., realizing that Thanksgiving is more than turkey or cranberry sauce, but is actually to be set aside for thanks and praise unto God, announce their annual "gathering of the people" service.

This service, beginning at 7 p.m. Nov. 28, is open to the public and will be dedicated to thanking God and recapping the many blessings of the past year. There will be many musicians present, along with Evangelist Dick Handley. People are invited to come and thank God.

Gallery to offer display of prints

CLAREMONT — The Galleries of the Claremont Colleges will sponsor an exhibit and sale of approximately 1,000 original prints from the famed Ferdinand Roten Galleries collection on Dec. 9. The event will be held at Montgomery Art Gallery, Pomona College.

Works spanning six centuries will be featured in the show, which will include prints by such masters as Rouault, Hogarth, Goya, Miro and Picasso, and many of today's artists, famous and not yet famous. In addition, there will be a collection of Western and Oriental manuscript pages, some dating to the 13th Century. Prices range from $10 to the thousands, but most prints including those of the masters are under $100.

Area residents will have an opportunity not only to view but to leaf through one of the world's outstanding collections of original graphics. A world respected authority on graphics of all types, Roten mounts over 400 exhibits annually for major museums throughout the United States and Canada.

All of the work in the forthcoming show is displayed informally so that visitors may see each print at close range. The public is invited to come in, browse, ask questions about the work, artists, and various graphic techniques. Exhibit hours are 10 a.m. to 5 p.m.

Date event to include horse show

INDIO — The National Horse Show, considered one of the most colorful and competitive in the Western States, is shaping up here as another major attraction for the 1975 National Date Festival Feb. 14-23.

Horse show exhibitors are being offered $35,460 in cash premiums, added fees and crystal trophies. There will be thirty $500 stakes. The event is sanctioned by the American Horse Shows Association of New York and approved by the California Professional Horsemen Association.

The four-day Junior Horse Show opens Feb. 13. The Open Horse Show starts Feb. 17 and runs through Feb. 23.

The Registered Morgan Horse competition is scheduled for Feb. 22 and 23. An approved Registered Quarter Horse division is set for Feb. 23.

Allen Ross of Santa Barbara, horse show manager, will again be at the helm of the 1975 Date Festival show. Harriet Landrum of Goleta, Calif., will be secretary.

Judges will be Redd Crabtree, Simpsonville, Kentucky; Daniel P. Lenehan, Southern Pines, N.C., and Bill Harris, Danville, Calif.

A free copy of the 1975 National Horse Show premium list booklet and entry forms may be secured by writing: National Date Festival, P. O. Drawer NNNN, Indio, Calif. 92201, or phoning (714) 347-3487. Entries close Jan. 10, 1975.

Syrup sweetens recipes

In meeting the many requests for ways to sweeten with corn syrup, the makers of Karo corn syrup have produced a folder of recipes and ideas called "Fifty Nifty Ways to Sweeten Without Sugar."

Since corn syrup is a liquid ingredient with less sweetening power than sugar, there is no one basic formula for converting recipes. More important is to use recipes developed especially for the use of corn syrup as a sweetener, particularly for baked products and candies.

For a copy of the folder write to "Fifty Nifty Ways" Box SW 307, Coventry Conn. 06238.

Grapefruit cup for top dessert

The perfect dessert for holiday meals.

Light, refreshing and just right.

"Minted Grapefruit Cup" combines cool, refreshing mint — and tart, sweet Coachella grapefruit.

Add to this chunks of crisp, crunchy apples and California tree-ripened figs, with natural sun drenched sweetness, and you have a dessert that is simplicity itself to prepare—which says beautifully sophisticated gourmet things about you. Especially when you serve it in its own grapefruit shell, with a dash of creme de menthe for color and a frosty mint flavor.

December is the month that Californians start enjoying the bountiful harvest of Coachella grapefruit, which is in plentiful supply right through spring.

And enjoy it they should!

Coachella grapefruit is delicious to serve and eat any number of taste-tempting ways. Rich in Vitamin C, plus Vitamin A, calcium and other minerals so vital to good health—and so wonderfully low in calories, too.

When you shop for grapefruit here's a good point to remember: The heavier the grapefruit is for its size, the more juice it contains.

MINTED FRUIT CUP

3 grapefruit, halved
12 California Dried Figs, sliced
2 apples cut into chunks
3 tablespoons green Creme de Menthe
Fresh sprigs of mint

Scoop out inside of grapefruit halves. Use a grapefruit knife or sharp paring knife to loosen the fruit from the peel, cutting all around edges from top to bottom. Combine pieces of grapefruit with dried figs and apples in a bowl. Pour creme de menthe over; chill about one hour. Spoon back into grapefruit halves, which become their own attractive serving dish; garnish with fresh mint. Makes 6 servings.

Processing tomatoes will probably be a billion dollar industry this year says the Canners League of California.

More than six million tons of canning tomatoes are making a record harvest this year, 24 per cent higher than in 1973.

The yield per acre is 1.4 tons above last year's, and the peak processing season is employing 65,000 workers.
